Follow that road round past Waitrose on your left and the Fleece Pub on your right. About 200 yards further on, just before you reach the roundabout, there is a little road on your right which is Scarborough Road (one-way street). Turn into this road and the school is on the right.

Parking

There is very limited car parking on site so it is easiest just to park on the street – either on Scarborough Road itself or on Ilkley Road which is often easier (right or left at bottom of Scarborough Road).

There is a good bus service to Otley and the nearest train station is Menston, which is on the Leeds-Ilkley line with trains every 30 minutes. Please telephone the school for further details if you are travelling by public transport.
